User Manual

The Mifos X User Manual comprises three user guides:

1. For All Users
   Information about logging in and out, navigating, and generating reports in Mifos X.
2. For Administrators (Mifos X Platform)
   Information for Mifos X administrators about setting up and configuring Mifos X for the specific needs of your organization.
3. For Operational Users (Mifos X Community App)
   Information for day-to-day use for creating and managing account entries, transactions, and account products in Mifos X.
